The goal of the LBTS Property Owners Association is to educate, engage and sustain our community and its residents in a non-political format.

This was the actual advertisement used in 1924 to encourage potential residents to buy a lot in the Lauderdale-By-The-Sea community. Almost 90 years later, please join us on Thursday, August 22, 6—9 PM at Anglin's Beach Café at the Pier to enjoy food, fun and camaraderie.
