

A1A-BOUGAINVILLA PARKING LOT UPDATE

JUNE 14, 2013

FOR MORE INFO, CALL PUBLIC INFORMATION OFFICER STEVE d'OLIVEIRA AT 954-640-4209.

This was a preliminary design (left) for the parking lot sign. The size was slightly scaled back.

PARKING PROJECT COMPLETED!

The major work on this project was completed on Friday May 3rd.

The entire parking lot is again open to the public.

Thirteen new spaces were added to the A1A-Bougainvilla parking lot as part of the Town's ongoing efforts to accommodate more visitors to our seaside village.

A new exit southbound to Ocean Drive was added for greater vehicle access to the lot. The internal vehicle traffic flow within the parking lot was also improved.

A new sign will also be added later on A1A to help drivers new to the Town find the lot, which is close to Anglin's Square, our popular entertainment district.
